Customer Reviews

This isn't my favorite read-along book that we have, but I think it is my 3 year old daughter's favorite one, so my opinion probably shouldn't count! I would like it more if it included more stories or longer stories (or if it were one long story). Instead, it includes 2 or 3 very short stories, plus some poems/songs that are read.

How could Disney Princess's not get a 5 star. This book is so meant for a princess little girl. You will have many great memories reading this to her, and many great memories listening to her read it to you.
