Synopsis

Please see our Free Sample and please purchase the book prior to giving Feedback. All of our texts are professionally edited and checked. Thank you! Learning French with parallel text is the most rewarding and effective method to learn a language. Existing vocabulary is refreshed, while new vocabulary is instantly put into practice. The French grammar easily sinks in through our cleverly written and well formatted stories. Especially designed for the Kindle and Kindle Apps. Each sentence has been translated line by line making it easy to follow. Recommended for intermediate level learners of French and as a refreshers course. While we feel anyone at any level can work with these stories, a basic understanding of French would be recommended to achieve the maximum learning effect and pleasure. Our seven entertaining stories contain European culture and characters and are written to keep the readers attention.

Customer Reviews

Pros. I like the way the English translation follows a paragraph of text, thus allowing the reader to

read without having to go back and forth (especially important on a kindle). The difficulty level was about right for me, maybe a bit easier than I'm used to. But that's O.K. Cons. What isn't O.K. is the tediousness of the selections. These are really not short stories. Each is a brief report of a student/young person traveling to another country for a conference, festival, internship, etc. In most cases, the general observations made are banal and boring. Sentences such as this abound (English translation): "I decided to spend my third academic year in Italy, a country that has always fascinated me...Do you like traveling? Do you like studying?...Working in hospitals is quite hard for doctors and nurses...etc. etc." After five or six essays with sentence after sentence of this sort, my eyeballs began to glaze over. Still, there are so few books at this level for the beginning/intermediate readers that, overall, you won't be wasting your money. But be prepared to be bored.

This is a great tool for a French language learner.
