Learn Italian - Parallel Text - Easy Stories (English - Italian)

Synopsis

Learning Italian with parallel text is the most rewarding and effective method to learn a language. Existing vocabulary is refreshed, while new vocabulary is instantly put into practice. The Italian grammar easily sinks in through our cleverly written and well formatted stories. Designed for the Kindle and Kindle Apps. Each sentence has been translated line by line making it easy to follow. Recommended for beginners-, intermediate level learners of Italian and as a refreshers course. It is so easy and enjoyable even daring beginners with no prior knowledge can start learning. While we feel anyone at any level can work with these stories, a basic understanding of Italian would be recommended to achieve the maximum learning effect and pleasure. Our easy and entertaining stories contain Italian / European culture and characters. The stories have been written to keep the readers attention and are fun to read for you to learn through your motivation. More Italian Parallel Text Learn Italian II - Parallel Text - Short Stories (Intermediate Level) Recommended for beginners with good basis of Italian wishing to push their skills to higher level, intermediate level learners or as a refreshers course. Customer Reviews

as the book tells stories it is all written in past tense which is kinda strange to learn a language from zero

Parallel translation is great, but the stories are really stupid.

The most boring stories ever. They may have a value for learning purposes, if you won't fall asleep on the second page. There're better examples of Italian literature to learn and to enjoy.
