Desecration: Antichrist Takes The Throne (Left Behind Series Book 9)

Synopsis

The exciting ninth book in the Left Behind series that has sold over 2.5 million copies in hardcover is now available in trade paperback. In November 2001 Desecration was #1 on the New York Times, USA Today, Wall Street Journal, Publishers Weekly, and CBA Marketplace best-seller lists. With 50 million products sold, the Left Behind series is an international phenomenon. --This text refers to an out of print or unavailable edition of this title.

Customer Reviews

I loved the first books in the series but they have gotten progressively worse. Maybe it's just not possible for anyone to write so many books in one series and do it well. Jerry Jenkins and Tim Lahaye should end this soon and save their reputations. I think the character of Carpathia is an unbelievable representation of what the anti-christ will be like. I'm getting tired of all his silly antics. We're long over due to see the power of God at work. For a more true-to-life portrayal of end-times events try The Christ Clone Trilogy by James BeauSeigneur. In this trilogy each successive book is better than the one before it. So keep on reading.

This is pure profit-motive writing. They should be ashamed of themselves. First off, they could save a few trees if only they would go to regular margins and spacings. Seriously, there is not 200 pages of text here. Why should there be? It only covers 4 days. When they said they would write about the rapture, I had no idea they were going to cover it minute by minute. It is so dishpan dull, I am actually

forcing myself to read it. I am actually rooting against the characters because it is so slow. The Christ Clone Trilogy is markedly superior. DON'T WASTE YOUR MONEY. DON'T ENCOURAGE THEM.

It's WAY too short. I was one of the few (well, ONLY) who took my behind out to Family Christian store at midnight for their sale October 30 to snag this puppy! Feel now somewhat let down for all that buildup to wait for it to come out! It was a very quick read for my husband as well, he read it in 6 hours, and he's usually got his nose in the books for at least a couple days! He couldn't put this one down though, but kept complaining about how ripped off he felt for waiting for months for this book to come out, and how the type and spacing seems bigger, and margins seem smaller (making the book look fuller!) I am glad that I have checked out the other reviews, I am going to get him that Christ Clone Trilogy if I can figure out who writes it! Thanks so much!

Allow me to be blunt. LEFT BEHIND is not even in the same league with the books of THE CHRIST CLONE TRILOGY! The LEFT BEHIND series jabbars on endlessly about paper-thin characters (I know that's over used, but rarely has it been more appropriate) and barely deals with the events of prophecy. The Antichrist in these books is so unconvincing it's pathetic. The entire story of Desecration is built around the antichrist doing things he simply would not and will not do.

The books are brilliantly conceived, flawlessly developed, and perfectly executed. The scholarship is incredible. They are so believable and so true to life and scripture, you'll keep saying to yourself, 'It could really happen this way!' Okay, no, I'm not talking about the Left Behind series, I'm talking about The Christ Clone Trilogy by James BeauSeigneur. I've read Left Behind from book one through nine even though every time I picked up one of the books I'd scratch my head and ask, 'Why can't these guys write a better story? Aren't they aware that their portrayal of the Tribulation is so flawed it makes Christians look like mental midgets and real losers?' But still I read. Then I saw several of the reviews (like this one) talking about how much better The Christ Clone Trilogy is than Left Behind. I wasn't too sure I wanted to start another series about the end times, but I figured at least there are only three books, and I was desperate for something better. I went in with only moderate expectations of The Christ Clone Trilogy, but I had no idea what I was in for. I was TOTALLY BLOWN AWAY! Do yourself a BIG favor. See for yourself.

Please bear with me while I explain why I give this book such a low rating. I have read the entire

series including this book. Don't get me wrong, the books are a quick and enjoyable read. I started the series in the summer of 2001 when there were only 8 books. I finished all 8 in about 6 weeks. But I am frustrated that at this point there may be 15 books to complete the series if they cover the small amount of time this one does. Also, without describing the ending of this book, it leaves you hanging in the middle of an episode. I am hooked and ready for the next book, but it will not be out until next year. My recommendation is to NOT purchase this book now. Wait until the entire series is completed and then buy which books you have not read all at once. That way you will have the entire story and can read it until completion and not be frustrated.

These are GREAT books and I can't wait for The Remnant!!! In the meantime, I've been reading The Christ Clone Trilogy by James BeauSeigneur. Definitely a MUST READ while you wait for The Remnant!

Add me to the list of people who think the Christ Clone Trilogy is greatly superior to the Left Behind series. I still like Left Behind and I'll buy and read the rest of the series, whether there's 12 or 18 books because I'm interested in the characters, but for explaining prophecy, Revelation, the tribulation, and everything else about the end times and for telling a story that seems really real, the Christ Clone Trilogy does a better job, hands down!
