More Than Revenue: Taxation As A Development Tool (Development In The Americas (Paperback))

Synopsis

This exciting new volume provides an up-to-date overview of the current state of taxation in the Latin America and Caribbean (LAC) region, its main reform needs, and possible reform strategies that take into account the likely economic, institutional, and political constraints on the reform process.

Customer Reviews

Great insights, based in an excellent research work and supported by outstanding data bases for both revenue figures but also regarding the region's tax administrations.

If you are looking for recent numbers on how Latin American countries differ in terms of taxation strategies and results this is a reasonable book.
