"All men can see these tactics whereby I conquer, but what none can see is the strategy out of which victory is evolved." - Sun Tzu, The Art of War, 5th Century BC This is Sun Tzu for Franchising Every year tens of thousands of new franchisees open their doors for business and look to fulfill the American dream of success, and every year hundreds of new franchise companies announce their plans to be the next McDonald's®, SUBWAY® Restaurants, Marriott®, RE/MAX®, or Great Clips® and fail to reach that goal. Why? Beyond the initial legal work, basic operations manual, some training and a fancy logo to get started, what does it really take to be a successful franchise brand? To start, let me put you in the right mindset. Having a rapidly growing franchise company does not generate wealth and success. A franchisor's wealth and success are by-products of having wealthy and successful franchisees. Learn the ten success secrets of America's greatest franchise brands on how to strategically grow your company into a franchise Mega-Brand. If you like Good to Great by Jim Collins - this book translates to "Good is never good enough, but Mega is great and sustainable." Franchise Mega-Brands continuously seek to excel to greatness. Throughout the book - don't miss the franchise Mega-Brand "Best of Class" examples that illustrate these Road Rules for successful franchising. "There are a handful of disciplines necessary to drive any successful business and a critical discipline that is unique to the mega-franchise business. Five Pennies get right to the point, sharing this #1 "franchise fact" upfront and outlining the other important keys to building a thriving franchise." - Verne Harnish, Best Selling Author, Mastering the Rockefeller Habits & The Greatest Business Decisions of All Time and Fortune Magazine Growth & Leadership Summit facilitator and columnist

Mr. Helgerson was the speaker at a conference I attended and after listening to him, I knew this was a book I needed! What I didn't expect was how readable it is. I read it the first time in one evening. The 2nd time I took notes and the 3rd time is in progress! This work is a must-read for franchisors and franchisees alike.
